A **close associate** might include an individual who has joint control of a legal arrangement or any other close business relations, with a person who is a Politically Exposed Person.

An **immediate family member** is a spouse; a partner; a parent; a child and their spouse or partner and parents.

Declaration: Client Connections

A Client Connection is a strong, obvious and direct personal connection by the individual (excluding distant, removed, or potential connection) to an existing client who is an immediate family member of the candidate being hired, or, existing employee, including Non Employed Worker (NEW), and where the family member is in a position to confer benefits upon the Bank.

This definition also includes where the existing client is a corporation and the individual being hired has immediate family members in the corporation and is in a position to confer benefits to the Group.

Case example 1: The father of the candidate is a Private Banking client of the Group and the son has applied for a relationship management role in Private Bank in the same country as his father's account is conducted. The candidate (son) would be expected to self declare the Client Connection that his father is a Private Bank client.

Case example 2: The father of the candidate is Chief Financial Officer of a major corporation and that corporation is a corporate client of the Bank. In such a case the candidate may legitimately have no knowledge of that banking relationship as the information is confidential and the father may not have divulged it. Clearly if the individual was hired and their role was subsequently client facing to the same corporation or involved in dealings with that client, or had knowledge of the relationship, it would be reasonable to expect them to declare the client connection. However, if they were not client facing to that corporation and had no knowledge of that client in the Group's portfolio in their role, then it might not be reasonable to expect them to declare an Outside Business Interest (OBI). In each case the facts would need to be considered in the investigation.

To the best of your knowledge, do you have any immediate family members who have a significant business relationship with Group or who are employed by any of its regulators? *

Yes No

If you have answered "Yes" to the above question, please provide the relevant details in the space below.
